

June 2023

Dear Third Grade Student in Mrs. Foreman's Class,

Welcome! I am so excited to start next school year with you! Your 3rd grade year officially starts on **Tuesday, September 5th, 2023**. Our classroom number is **147**. You are going to love third grade! There is so much fun to experience together.

I'd like to take this opportunity to introduce myself. I am a proud graduate of Penn State University; like many, I bleed blue and white! This summer I plan to spend most of my time playing with my three sons: Louie (6), Bernie (4), and Denny (9 months). When I have some free time, I plan to read often, play with my adorable English Bulldog (Frannie), visit friends, swim in the pool, and relax at the shore. My husband and I are big soccer fans as well. Go Tottenham! But my favorite sport is lacrosse. We'll also be jamming out to some great tunes; I love all music!

The grade level Supply List posted on the class website has the essential supplies needed for the school year. 

Family Wall!

On the first day of school, please bring in any size pictures of you, your family or friends. We will be making a collage with the pictures. You should have a total of 5-10 pictures brought in a plastic bag on the first day of school.
