### **MONDAY**

**\*NO CLUB FEBRUARY 17\***

**Basketball (grades 3-6):** \$35 Learn the fundamentals of basketball through skill stations and introduction to game play taught by YMCA instructors.

**Earth Day Leopards:** \$0 It will be the 50th anniversary of Earth Day this upcoming spring, April 22nd. Come help prepare for this Linden event with a creative Earth Day skit for the school and artwork for our halls. Give the Earth a voice with your creativity and skills. There is a limit of 20 students.

### **TUESDAY**

**Dodgeball (grades K-2):** \$42 Play different versions of dodgeball, led by YMCA instructors.

**Paint-n-Pottery (grades K-2):** \$84 "Peace, Love and Pottery" Sculpt what you love, mosaic peacefully, and practice your pottery painting skills. Artists will explore with pottery, clay and canvas.

**OFF-SITE 4:15-5:15PM!!!! Sewing Club (grades 3-6):** \$90 New this year! Come learn how to sew on a sewing machine with owner, Ashlie M. Reed, at her store The Sewing Room (located inside the Doylestown train station). Each week the beginner sewer will create and take home a simple project. If you or your child has a sewing machine, feel free to bring it to class. Please note that due to space, class is limited to 6 sewers.

## WEDNESDAY

**Pokémon Club: (grades K-6): \$0** Do you love Pokémon? Do you want to know more about Pokémon? Whether you are a seasoned player or collector, or you are just curious about the culture of Pokémon, this club is for you! Join your friends to play, collect, learn...evolve! No Pokémon cards are necessary to attend. No electronics permitted in this club. This is subject to change at the discretion of the club's head Pokémom, BARB WILSON.

Note to parents: Class size depends on how many "Pokémoms" or "Pokédads" can help with overseeing this large group and dismissal; no Pokémon experience necessary! At least 4 adults are needed.

**Bonjour Bonjour (grades 2-6): \$20** This is an interactive program where students will learn basic French through language, music and culture. The students and teacher will speak French, play games, sing songs, read stories and taste French foods! \*\*\*If your child is interested in this program, please note any food allergies he/she may have!\*\*\*

**OFF-SITE 4:15-5:15PM!!!! Sewing Club (grades 3-6): \$90** New this year! Come learn how to sew on a sewing machine with owner, Ashlie M. Reed, at her store The Sewing Room (located inside the Doylestown train station). Each week the beginner sewer will create and take home a simple project. If you or your child has a sewing machine, feel free to bring it to class. Please note that due to space, class is limited to 6 sewers.

## THURSDAY

**Paint-n-Pottery (grades 3-6): \$84** "Fused Glass FUN" This class is all about glass! Artists will learn how to handle glass safely to create suncatchers, backpack charms, and more.

**Basketball (grades K-2): \$42** Learn the fundamentals of basketball through skill stations and introduction to game play taught by YMCA instructors.

## FRIDAY

**\*NO CLUB FEBRUARY 14\***

**Leopard Legos (grades K-3): \$58** Join us for this totally revamped LEGO club as we learn and play with the popular building toy. We'll study engineering concepts using LEGO, recreate some Linden Landmarks in LEGO and will even create LEGO mini-figurines that resemble us. The program will not be using an outside company this year so more of the fee will go towards LEGO that the students will get to bring home! 2 Parent Volunteers needed.

**Dodgeball (grades 3-6) \$35** Play different versions of dodgeball, led by YMCA instructors.

## **FRIDAY - CONTINUED**

**Science Explorers (grades K-6): \$90** “Pop, Bang, Fizz” A pinch of this, a dash of that, some wild reactions are where it’s at! Mix up a frozen ice cream treat and a fizzy bath popper to clean your feet. You won’t believe our mixing fun can teach some science before it’s done. With a pop or a bang or even some fizz, you have just become a chemistry whiz!

**OFF-SITE 4:15-5:15pm!!!!!!!!!! Doylestown Rock Gym: Grades K-6: \$46** Been to a climbing party? To the top of a climbing wall at the mall? At the boardwalk? Found that you love to climb and can’t get enough? This class uses games, activities, and training tips to introduce participants to safe climbing practices. They will also learn foundational skills such as putting on harnesses and knot tying. Parents are responsible for transportation.
