

Creating a Parent Account

Note: **Please create your Canvas account using a web browser**. Do not use the Canvas Parent App to create the account. Once the account is created, you can access Canvas through a web browser or download the app.

Step 1: Visit <u>www.cbsd.org/canvas</u>. Click the **Parent Sign In** icon.

Step 2: Click Need a Canvas Account.

Step 3: Click Parents sign up here.

Step 4: Fill out the form.

- a.) Ask your child to login to Canvas
- b.) Click Account
- c.) Click Settings
- d.) Click Pair with Observer
- e.) Copy the code (this code expires in 7 days.

Open Settings

**If you wish to use the app, please download it on your smartphone/tablet. Please follow the prompts (see below) to setup the app.
