62 Europe After World War I
Europe After World War I Map Assignment

Name _____________________________
Period __________________________

Directions - Label the map exactly like the resource map. You also need to color your map. You only need to use any two colors. One color representing the nations that existed before World War I, and another color representing the new nations that were created after the War. You also need to make a map key in the blank box that is provided in the upper left-hand corner of your map.

1 What new countries were created as a result of World War I?

________________________________________________________________________
________________________________________________________________________

2 Based on your map, how did the Allied Powers try to insure that the former Central Powers would be permanently weakened? (Answer in a complete sentence.)

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

Fill in the blanks with the correct answer to the following questions.
You will have to compare the two maps, one before the war and the one after the war.

3 After the war, ______________________ gained Morocco as a territory.

4 ______________________ was the country that lost the greatest amount of land after World War I.

5 ______________________ lost direct access to the Mediterranean Sea.

6 The newly formed nation of Yugoslavia consisted of the lands that at one time made up Serbia, part of Austria-Hungary, and ______________________.

7 After the end of World War I, part of ______________________ became part of Romania.

8 Including Austria and Hungary, how many new countries were there in Europe after World War I?

________________________________________________________________________
After the Great War: Changes in the Face of Europe

Under the Treaty of Versailles, several European nations gained and lost land. Looking at the two maps below, answer the following questions.

1. What two nations gained land that had been part of Germany?

2. What region did France gain from Germany?

3. What nations were carved out of Austria-Hungary?

4. What European nations ceased to exist after World War I?

5. What nations existed after World War I which had not existed before World War I?

6. Romania's borders were expanded after the war. What nations lost land to that expansion?

7. Bulgaria lost land primarily to what nation?
