

**Monday**

<b>Teacher Name</b>	<b>Title</b>	<b>Description</b>	<b>Grades</b>	<b>Total Cost</b>	<b>Max. # of Students</b>
Ashley Walter	Card Creations	Come get your creative juices flowing! We will be making cards to thank those who protect and help us in times of need (ambulance squads, police & fire departments). You will also have a chance to create cards to send overseas to our military. Cards can also be created for specific loved ones or special friends that your child would like to thank for their service.	<b>1st-6th</b>	\$ 45.00	10
Layla Broumand	Cooking Around the World	In this class we will stamp our culinary passports as we will cook our way through different cultures and their cuisines. We will learn recipes from all over the map: Italy, France, Mexico the Middle and Far East. We will lean a few key foreign language vocabulary words to go with each place we visit.	<b>4th-6th</b>	\$ 95.00	12
Overtime Athletics	Flag Football	Huddle Up and get ready for Flag Football! Players will get a chance to be running backs, wide receivers, defensive ends, and corner backs. Learn to pass, catch, run routes and punt like the pros! We'll practice these skills while playing Button Hook, Down & Out, Pitch & Run and First & Ten. Scrimmages and Red Zone Challenges will test your skills, promote teamwork and encourage sportsmanship.	<b>4th-6th</b>	\$ 83.00	20
Dr. Dawn Haaz	Girl Power!	Girls Empowered ( <a href="http://www.girlsempowered.net">www.girlsempowered.net</a> ) will provide an empowerment series for girls. Each week, girls will cover a different topic through a variety of interactive activities, such as art projects, role plays, games, and discussions. The topics covered include: self-identity, self-esteem, self-care, healthy relationships, diversity, and leadership. The program is run by licensed psychologist, Dr. Dawn Haaz. She has extensive experience empowering young girls through her work with Big Brothers Big Sisters, Camp Girl Power, and the Girl Scouts. This program is for any girl looking to become EMPOWERED.	<b>3rd-6th</b>	\$ 75.00	20
Laurie Brown	Intro to Robotics	Learn how to program a NXT Mindstorms robot. Then, work with a partner to program the robot to complete certain tasks.	<b>5th-6th</b>	\$ 35.00	12

**Monday**

<b>Teacher Name</b>	<b>Title</b>	<b>Description</b>	<b>Grades</b>	<b>Total Cost</b>	<b>Max. # of Students</b>
Science Explorers	Kitchen Chemistry	Come explore the science of kitchen chemistry as you investigate the properties of ingredients that pop, fizz and foam. Discover the amazing transformation of cream to butter, taste the science of popping CO2. Create gooey gum drops and freeze your own slushies. These are just a cupful of the concoctions you will be creating! <i><b>This is a 5 week class ending March 13th.</b></i>	<b>1st-6th</b>	\$ 125.00	23
Chelsea Walter	Perler Beads	Each week you will have a chance to make different designs with perler beads.	<b>1st-6th</b>	\$ 50.00	10
Kevin Cochran	Pokémon Club	Calling all Pokémon fans! If you are interested in Pokémon and would like to play the card game with other students, this is the club for you. Mr. Cochran will teach the basics of playing the Pokémon card game. You will have the opportunity to learn the game, trade cards with others, start or add to your collection and talk about Pokémon.	<b>1st-3rd</b>	\$ 35.00	20

**Tuesday**

Teacher Name	Title	Description	Grades	Total Cost	Max. # of Students
Sean Kelly - School of Rock	Guitar Beginner	If you want to learn the basics of playing the guitar, this is the class for you! Whether you've picked up the guitar a few times, or never played before in your life, come join us. When signing up for the class, please let us know if you have your own guitar. Guitars will be available to those who do not have access to one.	<b>2nd-6th</b>	\$ 35.00	8
Megan Jaeger Kylene Howley	iCommercial Creations	Come with your creative ideas to make commercials for Bridge Valley events and activities! We will need creative students who can promote events like Spirit and Bridge Valley Days, Fit-Fest and also remind students of special events. The final video products will be shown during the morning broadcasts throughout the year. Students who sign up for this class will plan ideas with their team, create a story board, and use iMovie and the Green Screen to create their commercials. Students are sure to have fun in this creative technology class!	<b>5th-6th</b>	\$ 35.00	20
Bricks 4 Kidz	Jurassic Brick Land	Are you ready for the adventure of a lifetime? Put on your hiking boots and camouflage...you're about to enter Jurassic Brick Land! Students will build a world that comes to life with gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more. We'll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and millions of years later. Show us your building skills using our specialized project kits! Come learn, build and play at Jurassic Brick Land class!	<b>1st-6th</b>	\$ 110.00	
Michael St. John	Karate	This class is designed to help children increase their focus, confidence and fitness through the martial arts. The goal for children is to make them feel so good about themselves that they don't adhere to the peer pressures that meet our kids far earlier than ever before. At the end of this six week course, students along with their families will be invited to a special ceremony at Action Karate where they can earn their very first belt. Tuition includes an Official Action Karate Uniform and admission to White Belt Ceremony.	<b>1st-6th</b>	\$ 64.00	12
