

Book Dedications

What is the Book Dedication Program?

A book or magazine subscription can be ordered for the Doyle library and dedicated to a child, teacher, grandparent or to any special person. It is a nice way to honor or remember someone and support the library at the same time. The librarians can help you select a book, or you can order a favorite family book.

The Book Dedication Program expands the Doyle library and makes someone feel very special.

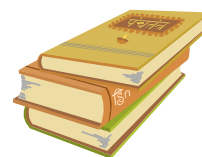

What happens when you dedicate a book?

- A personalized bookplate is permanently placed in the book. It is really fun for the kids to take out books that were dedicated to them, older siblings, family members or friends in years past!
- The book is presented to your child (or the honored teacher) at a Soaring Eagle assembly.
- Your child is the first person to check the book out of the library.

Please return this form, along with your donation (cash or check made out to Doyle Home & School Association) to the School office-Attn: DHSA Book Dedication. If you have questions, please contact Jen Johnson at johnsonsjr@msn.com.
