# HSA HAPPENINGS

Official Newsletter of Cold Spring Elementary HSA

## Jaguars News!

Hello Cold Spring Families,

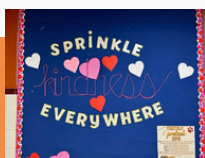

Leo Tolstoy said, "Spring is the time of plans and projects", and that certainly holds true at Cold Spring Elementary School. The Cold Spring HSA calendar has been full of fun and meaningful activities and we have much to look forward to with our Spring happenings. The HSA has also been busy planning our ongoing Outdoor Classroom project. Cold Spring's Outdoor Classroom is scheduled to commence this summer! Thank you, families, for your support. Mr. Finger will hold a groundbreaking ceremony at one of the end of the year Town Hall assemblies to include the students and staff in this exciting endeavor! We are awaiting final approval from the Township for the project, and once that is received, we are on track to pay down a significant first payment and begin construction of the outdoor pavilion this summer!

We hope many of you enjoyed some of the Cold Spring Winter HSA sponsored activities. Family Bingo Night was a huge success and was the most well attended Family Bingo ever! The Winter Themed Father-Someone Special/Daughter Dance was fun, lively and a special time for all! 6th Grade Socials have been very popular for the students to give them engaging social activities off campus in their final year. Their most recent events have included Snow Tubing, Skyzone, and Go-Karting! Bus Driver Appreciation was celebrated, and the bus drivers and bus aides were recognized for their hard work every day in bringing our bus riding students safety to and from school. Each of Cold Spring's 26 bus drivers and aides were gifted a \$5 gift card to Dunkin Donuts and a personalized thank you card. Girl Scouts from Troop #2315, all former CS students now at Holicong, made the drivers' days even sweeter by gifting them multiple boxes of donated Girl Scout cookies.

We look forward to the many events and projects still to come this school year as we welcome Spring to Cold Spring! Thank you for the countless volunteer hours given by many parents, caregivers and staff members to make the extra events happen at our school. These events help to give opportunities for community wide participation and connection and raise monies for CS projects. Thank you!

Happy Spring to all Jaguars!

## School Year Winter Highlights: Father-Someone Special/Daughter Dance

Thank you to all the Committee Members and Volunteers who transformed the Cold Spring Gym and Cafeteria into a Winter Wonderland. It looked so beautiful and was truly a night to remember for all attendees! The DJ/MC kept the dancers out on the dance floor! The snack bar was a hit with Hot Chocolate to go cups, veggies and fruit, and yummy donuts to name a few treats. The selfie zone encouraged fun, action pictures and many also took formal photos. Thank you to all who made this event so very special. The event raised over \$3000 that will be a huge help towards the Outdoor Classroom and other HSA sponsored projects like the teacher grants, assemblies and periodicals to name just a couple items that the HSA sponsors. Thank you!

## Family Bingo

HSA sponsored Family Bingo must have been the most well attended Bingo ever! Thanks to Mr Finger and the teachers, they kept the night fun and full of "Dad" Jokes!!

Even when the call came to "CLEAR YOUR BOARD!!", the kids and families had a great time and many won prizes.

Thanks to the Bingo Committee for the work behind the scenes to put the event together, pick up 100 pizzas for school delivery (WOW!!) and for the many parents who donated to the snack bar. The event raised over \$3500 to be put towards HSA sponsored school programs as well as the Outdoor Classroom. Thank you!
