NoodleTools Tips – Websites

For WEBSITES:

- Choose “Website” from the Where Is It? pop-up box, then select “Web Page”

- Fill in the following boxes:
  
  - URL (copy and paste the URL from the address bar)
  
  - Date of publication – copyright date
  
  - Most recent date of access
  
  - Contributors – if you cannot find the publisher of the site, you must fill in this area with the author’s information.
  
  - Web Page or Document Article/Title – you can find this at the very top of the screen
  
  - Name of the Web site
  
  - Publisher of the site – you can leave this blank if you cannot find it.

- Then click “Submit” at the very bottom of the screen! DONE!
