## Outdoor Classroom Update

The Cold Spring Outdoor Classroom is making its way through the preconstruction process. We have received approval from the school board and the order has been submitted to the manufacturer. The next steps are to secure permits and move forward in the site construction process. We are currently targeting a March start to installation.

## Roar-A-Thon Fun!

Cold Spring Students had an enriching experience with our ROAR-A-THON and the fun run was a blast! Thank you so much for all of the support. The link is still open if you'd like to donate to this Volunteer, Staff, and Student led event! We thank you for making it a success!

## Free Event!

## Book Fair

The Book Fair Kickoff and Book lovers ball was awesome! Thank you to everyone who came, especially Jake the Jaguar! The money raised from the book fair goes to the library.

## Are you interested in running a Committee?

We are looking for people interested in becoming a committee Co-chair and shadowing current Co-chairs to learn how to take over in the next year or so. If you are interested please email us at [coldspringhsa@gmail.com](mailto:coldspringhsa@gmail.com) and join our Facebook Group!
