

After Reading ~ Open-Ended

R

Restate

- **Restate** the question in your own words. Make sure you know what your answer should include. Underline key words in the question. Know how many examples you need.

A

Answer

- **Answer** the question in your own words using detailed, complete sentences. Be sure to reread! Try using 'because statements' when that makes sense.

P

Prove

- **Prove** that your answer is complete by reviewing to check your answer for the number of examples needed and other details.
