

*The items listed below supplement the supplies provided by the school and help students to be prepared for the projects and activities planned for the school year. This list will give you a head start on your back-to-school shopping. Please label ALL items with the student's name, including each writing tool 😊*

\*Please have all small tools and writing supplies removed from packaging, labeled with child's name, and brought to school in the 2 large pencil bags. Students are encouraged to care for their tools by putting lids on tightly and storing items in appropriate places. Having names labeled on all tools will help materials return to owners. We ask that families replenish these supplies when the student reports items depleted. Also, if obtaining any of these materials is not within your budget at this time, we will find other ways of supplementing your child's supplies. Thank you 😊

**We have a daily snack break, so please bring a healthy snack and water bottle each day.**
