

# welcome to THIRD GRADE

Hello Third Graders,

August 2022

I hope that you are having a great summer and that you are also getting ready for an exciting new school year. I know I am really looking forward to meeting all of you! We are going to have a lot of fun learning new things together.

Let me tell you a little bit about myself. I grew up in nearby Buckingham and graduated from Central Bucks High School East. I then graduated from Millersville University with a degree in Early Childhood Education. I completed my student teaching in a third grade classroom in the York Suburban School District. I've taught for two years at Buckingham Elementary (where I went to school), first as a building substitute and then as a first grade teacher. Last year, I taught second grade at Gayman for the first half of the school year and then third grade at Groveland for the second half. I am so happy to be settling down here at Pine Run! Go Owls! I am currently working towards my Master's degree in Social Emotional Learning through Neumann University. In my free time, I love to sing and perform in musicals, play the ukulele, paint and sketch, go to the beach, journal and spend time with my friends and family.

This year in third grade, we will have the opportunity to learn in a lot of new and interesting ways. We'll explore the solar system, motion, butterflies and the ECON marketplace. We'll also continue to read both fiction and non-fiction texts, write stories, poems and essays, and become superstars at multiplication and division.

**Our first day of school is Monday, August 29<sup>th</sup>.** Please come with your supplies, a nut free snack and water bottle, and a smile! I can't wait to meet you and to get started on our exciting year together as **Sica Sunshines!**

Your Teacher,

Miss Sica
