

# Meet your Teacher

## Welcome

Hello and welcome to 5<sup>th</sup> Grade! My name is Ms. McCool and I am thrilled to be changing grade levels from 4<sup>th</sup> to 5<sup>th</sup> with all of you! Although this school year will look different than most, we will still have so much fun learning and working as a team! My hope as your teacher is that we enjoy learning something new each day, while challenging ourselves to do our personal best! I can't wait to meet you!

## About Me

I grew up in Doylestown and am a Central Bucks graduate. I received my Bachelor's Degree in Elementary Education at Duquesne University. This is my 4<sup>th</sup> year teaching in Central Bucks, and 2<sup>nd</sup> year at Barclay Elementary. I am currently attending Arcadia University in pursuit of my Master's Degree as a Reading Specialist.
