

MEET the TEACHER

My name is Mrs. McGovern and I am beyond excited to meet you and have you in my class! I can't wait to hear all about your summer adventures in the sun when we return in September. Together, we are going to learn and grow a lot!

A fun fact about me is that I grew up in Doylestown and am a proud Central Bucks graduate. This will be my 4th year teaching at Barclay, and my 7th year working as a Central Bucks teacher. I previously taught 5th Grade, but am excited for this new adventure in 2nd Grade!
