

hello

Welcome Kutz Families! My name is Bridget Giordano and I will be your child's case manager for the 2022–2023 school year! I am beyond thrilled to work collaboratively with you and your family this year. With the start of the school year approaching fast, I am very excited to learn more about your student but wanted to also take this opportunity to share a little about myself!

This will be my third year at Kutz and my sixth year of teaching. Prior to teaching in Central Bucks, I taught in the Council Rock School District in 1st, 4th, and 6th grade. I am a Lower Moreland High School graduate and earned my Bachelor's Degree from West Chester University in Elementary and Special Education. I have my Master's Degree in Reading and Literacy from Holy Family University.

I have always had a passion for teaching. I strive to build a welcoming classroom community where all my students feel confident, comfortable, and excited to learn each day. I value a positive working relationship between home and school, working together as a team to help your student thrive! This year will be filled with many new experiences and adventures, and I'm excited to embark on them together!

I have begun reviewing each student's IEP and educational programming. As a parent, you are a valuable part of the IEP team. I will be sending out a form in order to gather additional input about your student from you. The purpose of this form is to help me get to know your child better.

I look forward to getting to know you and your child this year! We are going to have a great year! If you have any questions or concerns, please feel free to email me at bgjordano@cbsd.org.

Here's to an AMAZING school year!

Bridget Giordano
