

Dear Families,

My name is Caroline Miller and I am thrilled to be your child's teacher this year!

I can't wait to get to know your child and family, but first, here is a little bit about myself. I graduated from Temple University and earned my teaching certificates in Elementary Education and Special Education. I received my Masters Degree from Holy Family University where I earned a certificate as a Reading Specialist. I've been teaching Autistic Support for 15 years, but this is my second year with Central Bucks School District. I had such a wonderful experience here at Bridge Valley last year and am looking forward to another fun year of learning and growing!

I live in the district and have two daughters, ages 10 and 7. We are huge fans of Jurassic Park and Disney! We spent our summer swimming, staying on the lake in Pocono Summit, visiting the Philadelphia zoo, gardening and spending as much time outside as possible. I also have two dogs, a Ridgeback/Chow mix and a German Shepherd, that keep us busy and entertained! I can't wait to hear all about your summer!

Sincerely,

Caroline Miller
