

MEET THE TEACHER!

MS. VOGEL

The Basics!

Hello! My name is Hannah Vogel. I am very excited to be your child's teacher this year. I enjoy all things sports related, music, hiking/camping, and spending time with friends and family. I'm excited for the opportunity to be a part of your child's education for the 2023-2024 school year! I have taught 1st, 2nd and 4th grade multiple times, as well as being an instructional aide and summer school teacher. This is my fourth year teaching at Warwick and I'm looking forward to another great year with the whole community!

MY CHILDHOOD!

- I grew up in Horsham, PA where I attended Blair Mill Elementary, Keith Valley M.S. and then Hatboro-Horsham H.S. I played several sports growing up which included intramural, CYO, AAU, club and school teams.
- I am the youngest of four. I have a sister and two brothers!

MY EDUCATION!

I graduated with a Bachelors of Science in Early Childhood Education PreK-4 from Millersville University. This year I graduated with my Masters in Instructional Technology. While attending Millersville I was also a 4-year student athlete on the women's lacrosse team. Just like many children today, I also learned how to balance education along with busy schedules and extracurricular activities!
