

Imagine that you are Face Timing with your French pen pal, who just asked you:

## Quelles sont tes activités préférées ?

As you answer their question, look at each picture for information.

(You'll need to imagine/add some details that do not show in each picture.)

BTW: You can see/print the images in color if you go to the document on my web site.

Use COMPLETE sentences, and tell:

- ❖ That you like to do or actually do that activity
  - For -ER verbs [since you know how to conjugate them]
    - instead of saying: I like to play tennis...
    - Tell me: I play tennis....
- ❖ Where
- ❖ How often
- ❖ How well
- ❖ With whom
- ❖ Why

Include words such as: ET, MAIS, OU, PARCE QUE, etc.
