Chapitre 1 : Meeting someone and talking about school

Grammar: avoir, subject pronouns, irregular plurals

| Directions: You and a group of two or three other people have just met one another in French class. Introduce yourself and discuss your classes. What do you need for your class? How many people are in your class? How old are your new friends? Create a conversation using as much grammar and vocabulary from chapter 1 as you can. Challenge yourself and try to include all of the conjugations of avoir into your conversation. | | | | | |
