Core Sequence of Professional Development Sessions – Beginning Year 2

Ongoing, job-embedded professional development is a strong component of the Central Bucks School District and its commitment to excellence.

As you become more acclimated with your roles and responsibilities within Central Bucks, there are targeted professional development opportunities to support your work.

Some topics include:

Year 2

- Teaching for Rigor and Relevance *
- Developing Positive Relationships that Impact Student Learning *

Year 3

- Integrating Research-Based Instructional Strategies *
- Implementing Engaging Literacy Strategies *

Year 4

- Extraordinary Teachers: Differences That Make a Difference

** Introductions to these topics will be provided through the Professional Induction Academies*
