

BAND SUPPLIES

All students should bring the following supplies to class, every day, for the entire school year unless notified otherwise by a band director.

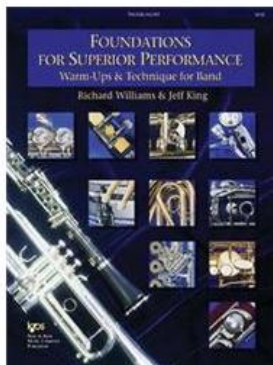

Each student must bring their instrument, music folder, and a pencil to each class.

WOODWINDS (reeds) – a case of reeds (10 – 25 reeds), 7th graders should purchase #2 or #2 ½ strength reeds. 8th and 9th graders should purchase #2 ½ to #3 strength reeds. Students should also purchase a Yamaha care kit for their specific instrument.

BRASS – Students should purchase a Yamaha Care Kit for their specific instrument.

PERCUSSIONISTS – Practice Pad with stand, stick bag, 2 pairs of 5A or 5B drumsticks and a pair of double-sided bell mallets. Place your name on all of the equipment you purchase because percussion equipment is easily misplaced.

METHOD BOOK – Foundations for Superior Performance

Parents are, of course, free to purchase supplies with any music supply vendor, however, the school has developed a good relationship with Russo's Music. They visit us once each week. You can order supplies from them by phone or online, and they will deliver them directly to Tohickon. This can save you valuable time and money. Russo's Music also handles our repairs and instrument rentals.

Music and Arts Center has a store in Doylestown. They are also an excellent resource to help you fulfill your child's music supply needs.
