Dear Parents,

Hello! My name is Annemarie Bottino and I will be your child's first grade teacher. I was so excited to meet them today at our "Move Up Day."

I want to take some time to introduce myself. I graduated from Millersville University. I have been teaching for a total of 10 years. Before I had my own children, I taught fifth grade for four years. I have been in Central Bucks for six years. I have taught first and second grade in this district. I have three children of my own, Joey (18), Maria (16) and Domenic (13). Joey will be going to Virginia Tech to study Engineering. Maria will be a junior at Central Bucks West High School and Domenic is in 8th grade Lenape Middle School.

I am a strong believer in teacher parent communication. Feel free to email me if you have any questions or concerns about first grade. I can be reached easiest at abottino@cbsd.org.

Please mark your calendar for our Back to School Night on Thursday, September 5 at 7:00 pm. I look forward to meeting you that night.

Sincerely,

Mrs. Bottino
