

All-Star Club

This is a club for students who would like to know a little more! **It is completely optional.** If you are interested, choose a topic and research it to find the answer. You may use books, encyclopedias, the internet (with your parents' permission!!), or other resources you have available at home. Neatly write down your question and the answer IN COMPLETE SENTENCES and bring it to school. A correct answer, written neatly and accurately, will earn you a star on the club Wall of Fame. Good luck, and keep exploring the world around you!
