

Central Bucks High School West
National Honor Society, Chapter 5424

Membership in the Central Bucks West National Honor Society is both an honor and a commitment to the demonstration of scholarship, leadership, service, and character. Maintaining one's membership is dependent upon the continuous demonstration of these qualities that earned each member's selection.

Please note that all members will:

- * Maintain a required 3.7 GPA
- * Attend all meetings or provide, in advance, a valid reason for absence.
- * Retrieve minutes for missed meetings within 48 hours for appropriate credit.*
- * Participate in 20 hours of CBW NHS-sponsored projects or activities with our community partners**
- * Adhere to all Central Bucks school rules and policies.

*Members who neglect to attend meetings, and/or fail to pick up the minutes within 48 hours will be required to complete one additional service hour for every meeting not attended.

**Members who are seniors are required to complete the required service hours one month prior to Graduation.

If a member fails to comply with any of these requirements, the West Faculty Council will review his or her membership status. If a student who is a junior fails to meet these requirements, he or she may be required to relinquish membership and will not be able to reapply. Any member of the senior class who fails to meet these requirements may be required to relinquish membership and will not be honored as a NHS member at the graduation ceremony.

NHS announcements and notifications will be delivered through Canvas. It is each member's responsibility to check Canvas for important chapter information.

If you agree to all the above guidelines and wish to be inducted as a member of the National Honor Society, please return this completed contract to Ms. Graney or Mrs. Micucci, the chapter advisers, before or on the meeting date stated on your letter.

I _____ (please print) fully understand the requirements for membership in the C.B. West chapter of the National Honor Society and agree to uphold them.
