

Welcome to Second Grade!

Dear Parents,

In order to maintain the skills your child acquired during first grade, it is important to reinforce the skills over the summer. We recommend having your child do the following:

1. **Keep a journal** in which your child is encouraged to write at least three times a week.
2. **Read at least 20 minutes each day.**
3. **Complete the enclosed math skills review packet.**

Please visit the website of your child's teacher for curriculum links to summer reading lists and additional math resources. Below is a list of supplies to help your child in second grade. Thank you for labeling each item with the name of your child and sending in the supplies on the first day of school.

Second Grade Supplies

- School bag
- Plastic folders: 1 blue, 1 red, and 1 purple
- 2 marble hard-covered composition books
