*Will your Kindergartener need a longer school day?*

*The Preschool at DUMC has a program just for you!*

# *Discovery*

A companion program for children attending morning Kindergarten at a nearby elementary school. Children will explore areas of science, art, music, social studies and culture. Children will be engaged in the four areas of development: physical, emotional, social and academic.

Maximum age is 6 by the end of the school year.

*The many advantages of Discovery:*

- Transition time after morning classes, including a lunch hour to socialize with friends
- Cooking activities featuring math, nutrition, following directions & sequencing
- Science activities and experiments encouraging observation and exploration of their world
- Active math to expand on concepts
- Centers that feature creative and academic opportunities
- Arts & crafts projects
- Music experiences with rhythms, instruments, and movement
- Developing the skills of independence, self-control, and responsibility
- 30 minutes of gym activities, playground or organized games daily

*Discovery is offered 2-days per week*

Tuesday & Wednesday

11:30 - 12:30 Lunch Hour/Recess

12:30 - 2:30 Discovery

\$210 per month (lunch and class)

\$75 registration fee
