

Meet the TEACHER

Mrs. Katie Dubinski

Welcome to 1st Grade!

I am very excited that I will be your child's teacher this year! First grade is an exciting year for your child to learn and grow socially and academically. Our classroom will be a safe, supportive, and enjoyable environment where your child will develop a love for learning.

A Little Bit About Me

My childhood town was Warrington, PA. Now I live with my husband and 6-year-old daughter, Madeline, in Ambler, PA. I am passionate about teaching, but also enjoy swimming, playing soccer, and soaking up the rays at the beach! I have a cheery disposition and believe in using kindness, laughter, and consistency to help children succeed.

Educational Background

Central Bucks School District has been my place of employment since the winter of 2007. This will be my fifth-year teaching first grade at Butler. Prior to first grade, I taught kindergarten for 9 years (6 of which have been right here at Butler). I graduated from Elizabethtown and received my master's degree from Delaware Valley University.
