

## CAR RIDER

VS.

## BUS RIDER

Please, please, please – if at all possible, allow your children to ride the bus. Riding a bus is part of the “school experience.” You will also be helping to keep Kutz less congested at dismissal time and therefore a little bit safer for all.

Please limit pick-up to an **ONLY IF NEEDED BASIS** (e.g. after school activities, childcare, custody issues, etc.)

**If you must pick-up your child...please display your “family name” placard in your car window.** This makes our car-rider dismissal safer and more efficient. If you need to display a placard, please fill out the information below and return it to the school. We will make the placard and return it with your child.

Also please pull your car all the way through the curve to the end of the sidewalk. Cars should be positioned right up to the first parking space. This allows more cars to pull into the parking lot in order to be safely off of Rolling Hills Boulevard.

**REMINDER.....new pick-up procedures! *NO-CHILD PICK UP between 3:15 and 3:30 in our school office.***

**All pickups must occur prior to 3:15. If after 3:15 – please pull into the car line.**

Thank you for your attention to these matters.
