

SPEECH LANGUAGE THERAPY

Dear Parents/Guardians,

I would like to take this opportunity to welcome you and your child to the speech and language program. For some of you, I may be a familiar face, and for others, this may be the first time I will be working with your child. I am excited to have the opportunity to work with your son/daughter and be a part of his/her educational team.

This is my ninth year working at Bridge Valley Elementary School. I earned my bachelor's degree in speech-language pathology from Michigan State University (Go Spartans!) and my master's degree from Wayne State University. I hold my Certificate of Clinical Competency from the American Speech Language and Hearing Association, a Pennsylvania Teacher of the Speech and Hearing Impaired Certificate, and I am a licensed Speech Language Pathologist in the state of Pennsylvania.

If you have any questions, comments, or concerns, please feel free to contact me:

- E-Mail: aglauser@cbsd.org
- Telephone: (267) 893-3732

I look forward to working with you and your child. Together, we can make this an excellent school year!

Thank you,

Audra Glauser, M.A., CCC-SLP
