

2016

NASTAR STEM CAMP

ATTEND CAMP WHERE ASTRONAUTS TRAIN!

2016 NASTAR STEM CAMP DATES

Sessions run Mon-Fri, 9am to 4pm

June 20-24	Grades 4-6 <i>Forces and Motion</i>
June 27-July 1	Grades 7-8 <i>The Earth & Solar System</i>
July 11-15	Grades 2-3 <i>Observing Our World</i>
July 18-22	Grades 4-6 <i>Living in Space</i>
July 25-29	Grades 7-8 <i>The Earth & Solar System</i>
Aug 1-5	Grades 4-6 <i>Energy</i>
Aug 1-5	Grades 2-3 <i>The World of Flight</i>
Aug 8-12	Grades 4-6 <i>Living in Space</i>
Aug 8-12	Grades 7-8 <i>Extreme Flight</i>
Aug 15-19	Grades 9-12 <i>Physics and Engineering</i>

Since 2010, more than 500 students in grades 2-12 have attended NASTAR STEM Camp, our activities-based summer day camp program. At NASTAR STEM Camp, the emphasis is on FUN activities that teach the basics of science, technology, engineering, and mathematics. All activities are aligned with Pennsylvania and national academic standards for STEM learning. Students who attend NASTAR STEM Camp construct rockets, assemble flying model airplanes, make their own "space food," pilot simulators, and participate in a wide range of hands-on activities that teach science, technology, engineering, and mathematics (STEM).

The cost for NASTAR STEM Camp is \$250.00 per week. For enrollment information, contact Greg Kennedy at (215) 355-9100 x1512 or gkennedy@nastarcenter.com

NASTAR STEM Camp is organized to reinforce PA academic standards for science, technology, engineering, and career education.
