

# WELCOME TO 5<sup>th</sup> GRADE!

June 12, 2019

Dear 5<sup>th</sup> Grade Student,

Hello, and welcome to 5<sup>th</sup> grade! My name is Mrs. Maduzia and I am so excited to be teaching 5<sup>th</sup> grade again here at Butler Elementary and REALLY excited to have you in my class. This is my fifth year in 5<sup>th</sup> grade at Butler. Prior to that, I worked at Gayman Elementary School, another Central Bucks School, where I spent two years teaching 4<sup>th</sup> grade. Before that, I was here at Butler where I taught 2<sup>nd</sup> and 5<sup>th</sup> grade.

Let me tell you a little bit about myself. In 2005, I graduated from Shippensburg University with a Bachelor of Science in Business Administration, Marketing. Before I became a teacher, I worked for an IT consulting company for seven years. However, following a true passion of mine, I enrolled at Immaculata University, in 2010, to pursue my Elementary and Special Education teaching certificates. I recently completed my Masters at Cabrini University where I learned a lot of great reading strategies to employ in our classroom.

When I am not in the classroom, I enjoy spending time with my husband and our two sons, Radison (2) and Nash (8 months). This summer, we plan on spending a lot of time swimming, biking, and doing some home improvements. Radison loves to explore and Nash just started crawling, so we are so excited to take them on some new adventures like Sesame Place, the Zoo, the Aquarium, and lots of other fun places! We are also going to attempt a few camping road trips, possibly to Niagara Falls and Maine! Camping is one of our favorite family activities and we love exploring a new place each summer!

My wish for you, my new 5<sup>th</sup> grader, is to become captivated by books, learn to write like authors, and master mathematics like true mathematicians!

Enjoy your summer and be sure to get outside and enjoy the beautiful weather! Also, don't forget to read some great books and practice some of the math concepts you learned this year in 4<sup>th</sup> Grade. I can't wait to see you in September!

Sincerely,

Mrs. Maduzia
