

Dear Third Grader,

I hope you are having a great summer! I cannot wait to meet you and hear all about you. I am looking forward to seeing you on **Tuesday, September 5**, our first day of school. I will greet you in our classroom, room 14. Please bring along one or two pictures or objects that tell about your interests or hobbies to share with your classmates. We will ease into the year with plenty of "get to know you" activities and practice using our new laptops! We have so many exciting new things to learn such as the solar system, life cycles, multiplication, cursive writing, and enjoying lots of amazing books!

My family and I are having a terrific summer. I have two daughters Megan, age 19, a student at West Chester University, and Cassidy, age 16 starting 11th grade at North Penn High School. I've had a fun summer reading, spending time with my family, and walking our dog, Ivy!

Once again, I cannot wait to meet you and learn more about you. Remember to bring your pictures and your smile and don't forget a nut-free snack! I hope you enjoy the rest of your summer. See you soon!

Your teacher,
Mrs. Flanagan

P.S. I love riddles! Do you know this one?
What gets bigger when more is taken away?
