

## Dear Student,

Welcome to Room 7! I am so excited to meet you and welcome you to your new **Second Grade classroom**. I can't wait for you to hear about all the adventures we will go on this school year.

This summer, I have been swimming a lot and playing outside with my family: Mr. Klebba, Addie (9), and Josie (8). They are going into 4<sup>th</sup> and 3<sup>rd</sup> grade. We spent lots of time with family and friends visiting parks, camping, and hiking too! I enjoy taking my dogs for walks too – you'll hear some fun Reece and Gertie stories throughout the year! We were also lucky enough to take an RV trip to Maine and I can't wait to share with you about it! I got some cool pictures!

In 2<sup>nd</sup> grade, we are going to learn a lot and have a great time too! This year is jam-packed with fun and exciting things to learn, do, and read. I am looking forward to teaching you all about habitats and sound, multi-digit subtraction, multiplication, division, rocks and minerals, and enjoying lots of amazing books (even chapter books)! There will be a lot of learning and **FUN** in our classroom!

I have been busy setting up our classroom, so I hope you enjoy it! On the first day, make sure that you bring a **BIG smile!** I will be waiting for you just outside of Room 7. You can also bring 1 photograph, of you and your family to share AND 1 picture that captures your summer.

On the first day of school, look for the yellow flags hanging in the 2<sup>nd</sup> grade hallway and I will be waiting for you outside of room 7! Don't forget to **bring your classroom supplies** (see Supply List).

Enjoy the rest of your summer! I can't wait to start our SUPER year together on our **first day of school: August 30th!**

**Your 2<sup>nd</sup> Grade teacher, Mrs. Klebba 😊**
