

Dear 2nd Grade Student,

Welcome to Room 7! I am so excited to meet you and welcome you to your new **Second Grade classroom**. I can't wait for you to hear about all the adventures we will go on this school year.

This summer, I have been swimming a lot and spending time outside in nature with my family: Mr. Klebba, Addie (11), and Josie (10). They are going into 6th and 5th grades. We spent lots of time with family and friends visiting parks, camping, and hiking too! I enjoy taking my dog for walks too – you'll hear me share some Gertie stories throughout the year for sure. We got to go on a fun RV trip to Massachusetts and visited some fun places! I'll share some pictures with you.

In 2nd grade, we are going to learn a lot and have a great time too! This year is jam-packed with fun and exciting things to learn, do, and read. I am looking forward to teaching you all about rocks and sound, multi-digit subtraction, multiplication, division, and of course we will enjoy lots of amazing books (even chapter books)! There will be a lot of learning and **FUN** in our classroom!

I have been busy setting up our classroom, so I hope you enjoy it! On the first day, make sure that you bring a **BIG smile**! I will be waiting to greet you. You can also bring 1 photograph of you and people who are special to you to share AND 1 picture that captures your summer.

On the first day of school, look for the yellow flags hanging in the 2nd grade hallway and I will be waiting for you outside of room 7! Don't forget to **bring your classroom supplies** (see *Supply List*).

Enjoy the rest of your summer! I can't wait to start our SUPER year together on our **first day of school: September 5th!**

Your 2nd Grade teacher, Mrs. Klebba ☺
