

Quick Guide: Editing Course Navigation to Display

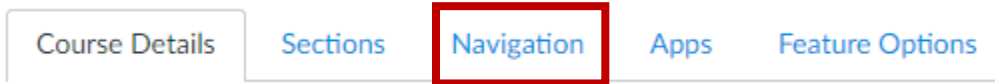

Goal: Edit Course Navigation to Display to for students.

Required Sections:

- Home
- Modules
- Assignments

Step 1: Click **Settings** (scroll down and the link will be on the bottom left-hand corner of the screen)

Step 2: Click **Navigation**.

Step 3: **Drag and drop** items to reorder them in the course navigation.

The menu items in the top list will be visible to students. The menu items in the bottom will not be visible to students.
