

HI, I'M MISS KREPPEL!

I am beyond excited to be your teacher this year! We are going to be **explorers, adventurers, team members** and individual thinkers throughout all the learning we will do together!

My background

I went to West Chester University to become a teacher and graduated in 2016 with my Elementary and Special Education certifications. I attended Holy Family in 2019-2020 to receive my Master's in Reading and earned my Reading Specialist certification. I've been around the district, teaching second and third grade at Doyle, Bridge Valley, and Butler! *Words cannot express* how **happy** I am to teach at Warwick and to be a part of the third-grade team!

Get ready!!!

GET READY to become part a **team** when you enter our classroom! We will be spending a lot of time together, so it is important to know that we all are working towards the **same goal**... success! I know that each of you have a *different* brain, which means that you think and learn *differently*. It is my job as a teacher to help you **GROW** as a learner and as a person of **good character**.

THIRD GRADE squad

This summer, I spent a lot of time with my dog, Franklin! You will learn about his **super silly ways**. Franklin makes a great swimming buddy on hot days and a big, **cuddle bug** on stormy days. I have two crazy kitties that I adopted in 2021. Their names are Remi and Pickles.

I love summer! Cape May, New Jersey is my home away from home. To me, there is nothing better than being on my dad's boat on the Chesapeake Bay at sunset. I also love sports and crafting. I am a busy bee, and always on the go! I **look forward to hearing about your unique summer and learning more about YOU!!!**

I am **exploding** with excitement and cannot wait to meet you! Get ready for a fantastic, fun-filled year full of learning and growing together!

Sincerely,

Miss Kreppel
