

Summer 2022

Dear Sixth Grader,

Hello! I am Mrs. Keeler and I am SO excited to be your sixth grade teacher this year. I cannot wait to get started! We are going to make new friends, build a strong classroom community and challenge ourselves to achieve amazing things. Since this is your last year in Butler, we will make sure to make it the best year ever!

We will spend a lot of time in the beginning of the school year getting to know each other and forming meaningful relationships. Though before you come back to Butler for the first day of school, I wanted you to know a bit about me. Firstly, I LOVE teaching. This will be my eighth year teaching in Central Bucks, and my first year teaching sixth grade. I am proud to be a graduate of Penn State University, where I received my Bachelor of Science Degree in Education. I also have a Master of Education degree in Reading from Holy Family University. I love learning and hope to inspire the same love for education in our classroom this year.

I have spent a lot of my summer preparing to make this year the best school year yet, but I took some great vacations as well! I spent time in Ocean City, New Jersey relaxing on the beach with my family. I drove to Georgia to visit my sister Katie and spent two weeks with her before flying home. My husband Chris and I are celebrating our first wedding anniversary on August 6th, so we will be taking a road trip to Maine and Rhode Island to spend time hiking, paddleboarding and exploring new places! We are bringing our yellow Labrador puppy, Willow, on our trip because she loves new adventures just as much as we do. In addition to these fun summer adventures there are some other important things for you to know about me. I am a HUGE Penn State sports fan. I also LOVE Philadelphia sports. You'll hear me talking about football, soccer, baseball, hockey and basketball scores all school year long!

I hope you are getting excited to be part of our sixth grade team this year! Since we are part of a team, every player is important for classroom success. We'll work together to make this year amazing.

See you soon,

Mrs. Keeler
