Ms. Lere

welcome

I am so excited for a great year! First grade is going to be so much fun! We will learn to read, work on our math skills and explore science and social studies! I can't wait to get to know you and your family! We are going to have a blast in 1st!

a little about me

Next year will be my 15th year teaching in CB! I have taught both kindergarten and first grade. My children are 4 and 6 years old and my daughter will also be in first grade this year! We love to spend time at our place in Ocean City NJ and in the mountains of Sullivan County PA. In my spare time, you will find me chasing after my kids, cooking and reading magazines!
