Dear amazing 5<sup>th</sup> Grade Families & Students,

Welcome to fifth grade! Most of you are joining me for our second year together. However, I do believe there are a few of you who will be new to our Room 24 family. I'd like to welcome you and tell you how wonderfully excited I am to get to know you! Additionally, you will be pleased to know that the other 5<sup>th</sup> graders in our class are incredibly welcoming and will make you feel right at home. 😊

I'm sure you are beginning to think about school supplies for this year. As you start your back-to-school shopping, please note that most of the needed classroom supplies will be provided for each student. If you take a look at the 5<sup>th</sup> Grade supply list, you will notice something new. BINDERS! I look forward to showing you how to set up and utilize this fantastic organizational system. Don't worry, we will also find ways to continue color-coding!

Parents, I would be most grateful if you could fill out the **Parent Survey** linked on my website. You can either send it with your child when we return to school or email it to me directly. Additionally, each classroom will have a Homeroom Parent Coordinator. If you would like to volunteer for this position for our classroom this year, please contact the office over the summer to let them know.

I am SO excited to see you when school begins and hear all about your summertime adventures! I hope you are also making some time for a good book or two! That will be one of our morning meeting topics during our first week back. See you soon, my fifth-graders! Enjoy the last bit of summer!

Warmly,

Mrs. Ojeda
