

Dear students and families,

Welcome to 6th grade! Though I'm new to Doyle, I'm not new to 6th grade! This is my 16th year of teaching in Central Bucks. I spent my first 15 years at Linden Elementary teaching 4th, 5th, and 6th grade. I am thrilled to start my next journey with you at Doyle. I live in Doylestown with my wife and three children. When I'm not teaching or spending time with my family, you can find me on the basketball courts coaching at C.B. East. I'm a Philadelphia sports fanatic and love to enjoy a book by the beach. I hope you had a wonderful summer and I look forward to coming back to school. I can't wait to hear about your exciting summer memories.

Sixth grade is going to be a special year for you. We will read exciting new novels, solve challenging math problems together, and create new and lasting memories. Sixth grade is not only a time to learn new and thrilling things, but also to have the opportunity to build on past relationships and make new friends in your class. This year my goal is to make you feel included, important, and valued. I am fully aware that students and parents might be nervous about this school year, but I promise to be here for you every day giving it my all. We are a team in this new adventure, and we will get through it together.

Once again, I am thrilled that you will be in my class, and I'm very excited to meet you on the first day of school. I know we are going to have lots of fun this year and create wonderful memories. Have a great summer. I'll see you soon!

Sincerely,
Mr. Yannarella
