

*Welcome to third grade in Room 202!
You are now an official member of
Kralik's Crew*

June 2019

Dear Third Grade Families,

My name is Nancy Kralik, and I am happy to say that I will be your child's 3rd grade teacher. I had the opportunity to briefly meet your child today during Mill Creek's annual Move-Up Day. I am eager to get to know each of my new students much better in the fall. In our classroom, we will learn the value of respecting one another. In addition, we will learn that knowing each will allow us to take risks as we study motion, multiplication, cursive, story writing, life cycles, and so much more.

For your reference, our room number is 202. On the reverse side of this paper, you will find a supply list that will assist you with Back-to-School shopping. If you have any questions, please don't hesitate to contact me via e-mail at nkralik@cbsd.org.

During your summer vacation, I recommend that your child practice addition and subtraction facts and spend time reading. I LOVE books and will be reading so much this summer. Keep a summer journal or write in some other way would be a great way to promote writing skills. This will allow your child to get off to a fast and successful start at the beginning of third grade.

Your family will be receiving a welcome letter from me in August. Until then, have a safe and enjoyable summer! If you go on any fun adventures or have something you want to share with me, feel free to email me over the summer. I look forward to being your child's third grade teacher for the 2019-2020 school year.

Your Partner in Education,
Mrs. Nancy Kralik
