

To the parent(s)/guardian(s) of a special Kindergarten student,

Welcome to Mill Creek! We are delighted to have the opportunity to work with you and your child during this new school year. There is so much to learn and discover in kindergarten. We can't wait to get started!

The purpose of this letter is to provide you with some brief information that will help your child in the first few weeks of school. We will have more time at Back to School Night to discuss our classroom procedures, curriculum, and expectations in more depth. We have listed below information that will be helpful to your child as we get started in this new school year.

A snack break has been planned each day to help your child give his/her best performance throughout the session. We ask that you pack one healthy snack and a drink (no glass bottles or soda cans please!) for your child each day. Please practice with your child so that he/she will be able to handle opening the snack/drink independently. Your child will be encouraged to use scissors to open the snack bags.

- Please label everything that your child brings to school, especially your child's backpack, lunch box, coat, etc.
- Your child's backpack should be large enough to fit his/her lunch box and a two-pocket folder.
- We welcome your donation of the following supplies:
 - * Container of Clorox Wipes
 - * 5 Large Glue Sticks (only large size, please!)
 - * 1 Box of Tissues
 - * 1 two-pocket folder

Please have your child wear his/her fish nametag necklace during the first week of school. Please write your child's daycare or bus # on the back of the fish nametag.

We are looking forward to a great year in kindergarten! We value your partnership and look forward to working closely with you. This is going to be an AWESOME year!

Warmly,
The Kindergarten Team ☺
