

Move Up Day 2022

To the parent(s)/guardian(s) of a Wolf Pack 6th Grade Student,

Welcome to 6th Grade! I am so excited to have the opportunity to work with you and your child during this new school year. 6th Grade is such an important and meaningful school year; it's the culmination of children's grade school experience. Grades K through 5 are in the rear-view mirror and we now begin to look forward to the learning and work that we'll do this year and in middle school.

The purpose of this letter is to provide you with some brief information that will help your child the first few weeks of school. We will have more time at Back to School Night to discuss our classroom procedures, curriculum, and expectations in greater depth.

Important Date

- 1st Day of School: Monday, August 29th

* At some point during each day we will have a snack while we work. Please pack a small, healthy snack for your child each day.

* Please be aware that with the district's commitment to healthy eating and wellness, Barclay will continue to not allow sweet birthday treats. Students are encouraged to either have a family member visit the classroom for a special activity to celebrate the birthday (e.g. reading to the class), or to donate a book in your child's honor to our library.

* Your child's regular and prompt attendance is critical for success in school. Please be sure that your child arrives on time every day, except in cases of illness or emergency. If your child is absent, please remember to mark them absent on the Parent Portal or email explaining the reason for the absence.

* Look for information on opportunities for classroom volunteers and classroom donations at Back to School Night. I will send home additional information during the first week of school. Please feel free to contact me (mwolf@cbsd.org) if you have any questions. Thank you in advance for your cooperation and support.

I look forward to a wonderful year together!

Fondly,

Mr. Wolf
