

Welcome to Second Grade

My name is Marierose Godwin, and I am looking forward to getting to know you and your child throughout the year. I know we will have a terrific year, with many wonderful memories, experiences and friendships.

This will be my 27th year teaching and my 21st year in CBSD. I have had a wide variety of teaching experiences ranging from kindergarten to fifth grade in both regular education and special education. I am excited to return to second grade, where I spent my first 8 years at Pine Run. Recently, I began teaching for Del Val University in their graduate department.

On a personal note, I live with my husband and our two children in Telford. My husband is a sixth grade teacher in the Philadelphia School District. My son, Landon, turned 14 this summer and loves computers and baseball. Brianna, my oldest, will be entering her senior year of high school and is currently college shopping.

I am extremely dedicated to ensuring both a happy and productive year. It is my goal to create a positive and nurturing environment where students feel comfortable and will always produce their best work. I believe that teachers and parents must work together in order to foster each child's learning potential. It is my hope that we can work together to bridge the home and school connection.

Please know that I am here for you and your child whenever you should need me. Feel free to email me at mgodwin@cbsd.org or call me at 267-893-4450 with any questions, comments, or concerns at any time.

Sincerely,
Mrs. Marierose Godwin
