

# Welcome 4<sup>th</sup> Graders!

I hope that you are all enjoying your summer vacation! I can't wait to hear what you all have been doing this summer! I am loving time to relax and read but I can't wait for the school year to begin because I cannot wait to meet **you!**

As September approaches, I am getting our classroom ready so that we can have the best year ever in Room 45. Fourth Grade is a great year! You can start to get ready for Fourth Grade over the summer by reading some good books and making sure you log them as you do. If you visit our classroom website, you will find a link about Fourth Grade's Summer Reading Challenge.

While getting ready for your first day of school, please don't forget to check the items on the grade level supply list posted on the PTO website. I have copied the list to the bottom of my website for quick reference. On the first day of school you will need to remember to have a healthy snack, a quality chapter book, and 2-3 small items to share with your classmates about yourself and your summer.

I am really looking forward to meeting all of you on the first day of the best year yet! Enjoy your last weeks of summer. 😊

Sincerely,  
Miss Malakoff
