

*"Congratulations! Today is your day. You're off to Great Places! You're off and away! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose."*

*~Dr. Seuss*

Dear fifth grader, parents, and families,

Welcome to our fifth-grade class! I hope you are enjoying your summer with your family and friends and are getting excited for another great year at Linden Elementary School. My name is Mrs. Low, and I will be your teacher for the 2020-2021 school year! I am ready for an exciting year with you, and I can't wait to hear about all your fun summer memories when we return to school!

A little bit about me- I graduated from The Ohio State University in 2005, then went on to Penn State where I earned my graduate degree in education. After school, I went abroad to teach before coming back to work in Central Bucks. I have three wonderful, energetic children. Bradley is in fourth grade at Linden, Owen is in first grade, and Adelaide is four. They love to play sports, and you will often find us outside doing just that! This year marks my fourteenth year teaching at Linden. I started my career in first grade at Barclay Elementary, then moved to Linden and spent time in fourth grade, sixth grade, Kindergarten, and now fifth grade. This year will be my very first year in fifth grade.

Fifth grade will be an exciting year filled with wonderful novels, fascinating science topics, and engaging social studies content. As you may recall from our Move-Up Day, we'll learn about things such as weather, decomposition and nature's recyclers, energy, the American Revolution, and so much more. You also have a lot of fun field trips to look forward to this year, too.

I am so excited to begin this year with you! I know we are going to work hard, have fun, and create some wonderful memories for your next year at Linden! Until then, enjoy the rest of your summer and I'll see you soon!

**Mrs. Low** ☺

*Please be advised that, in an effort to promote wellness and healthy habits, birthday treats are not allowed at Linden. If you are interested in becoming our homeroom parent, please contact the office!*
