

August 2022

Dear Quest Team Families,

The teachers on the Quest Team hope that you and your family are enjoying the last few weeks of summer. Your child's first day at Lenape will soon be here. We are excited to welcome you and would like to take a moment to communicate some of our expectations and plans for the upcoming year. These ideas will help prepare you and your child for a successful experience on the Quest Team.

Once at Lenape, your child will use the canvas calendar for important information, especially homework assignments and announcements. We strongly encourage parents to review the online calendar each night to ensure good communication and timely fulfillment of obligations, since middle school is more complex than elementary school. Infinite Campus is the district's on-line grading system, and this medium offers you information about your child's performance.

Good organization is a critical component of success in middle school. To aid in this area, students must always have the following items:

- District Computer
- Independent Reading Book
- Binder, pencils, and pens
- Additional School Supplies
- One Binder to be used for all content areas
- Homework book
- Dividers
- Loose leaf paper
- Optional *Scientific calculator (recommended **TI 36X Pro**)
- Post-it notes
- 3x5 Index Cards
- Earbuds or headphones compatible with district PC laptop

Field Trips:

- Team Building Trip to Camp America, Friday, September 16th. Please register through MyPaymentsPlus, the link www.mypaymentsplus.com. Information on how to sign up on MPP is on the front page of Lenape website.

The Quest Team is excited to work with your child this school year. We believe that working together as partners will promote academic success and hope that you and your child are getting ready for an exciting year at Lenape. The Quest Team is anticipating the start of another great year. We look forward to seeing you at Back to School Night.

Sincerely,
The Quest Team
